

9-11 WAS AN INSIDE JOB & "THE WAR ON TERROR" IS A FRAUD!

The CRIME

9-11 was an inside job! Yes, you read that right. They told us the Twin Towers fell because the planes hit them. But each collapse was really a controlled demolition — the process by which engineers PURPOSELY demolish buildings they want to replace. Remember how very fast, nearly at the speed of gravity, and how straight down they fell, neither toppling to the left or the right? We were told the buildings' steel was weakened by burning jet fuel, but it's a scientific fact that jet fuel doesn't burn anywhere near hot enough to weaken steel! Then they carted off the remnants of the steel away before anyone could examine the evidence, and wouldn't let fire investigators near the site (see quotes on p. 2). A real investigation of the towers' collapses was never conducted and for good reason, they didn't want us to know 9-11 was an inside job!

Have you really bought the official story that a rag-tag band of hijackers forced their way into four different cockpits armed with mere box cutters and maneuvered the planes into their targets even though they didn't know how to fly? There's a reason that story doesn't make sense, because it didn't happen that way.

The demolition of the towers with explosives isn't the only smoking gun that shows the 9-11 attacks were an inside job, it's just the tip of the iceberg. The government, both the Democrats and the Republicans, and the news media have been lying to you. Don't take this flyer's word for it. Find out for yourself. There are books, videos, and websites all about it written by independent investigators who have been studying the attacks since 9-11.

You can learn how to surf the internet and read websites for free at any public library. A good place to start is with this website where you can watch a short, free video about 9-11. Simply type <http://www.erichufschmid.net/911.swf> into your browsers address bar;

- or here, where you can read the "New Pearl Harbor"

book <http://vancouver.indymedia.org/news/2004/06/141355.php>

- and at this website where you can see a slide show about the twin towers' demolition: <http://911research.wtc7.net/talks/towers/introduction.html>

Libraries will show you how to get to all these websites and much more and for free! Never stop looking for real news or our ignorance will be the death of us.

The MOTIVATION

Why? Why would the government participate in the mass murder of its own citizens and then create this cover story about it? It's because the richest of the rich need for us to have an excuse to spend money on war. And with the September 11th attacks, what an excuse they've given us! We've been told that the war on terror will not end in our lifetimes! Remember when the Cold War ended, the Soviet Union fell, and there was talk about a peace dividend? The richest of the rich who profit from war couldn't have that. Since we didn't have a real enemy anymore, they actually created one for us, and they call it Al Qaeda. We call it Al **C.I.A.** da. Yep, Osama worked for us in the 80's and the CIA funded the creation of the mujadaheen then too. And the CIA is just like the MOB, once you're in it, you're in it for life. These Al Qaeda are our employees! And they're the perfect boogeyman. Al Qaeda's over here, no now they're over there . . .

"The Giuliani administration started to send World Trade Center steel off to recycling yards before investigators could examine it to determine whether it might hold crucial clues as to why the buildings fell. The full investigative team set up by FEMA was not allowed to enter ground zero to collect other potentially critical evidence." New York Times, Mar. 7, 2002, 'Mismanagement Muddled Collapse Inquiry, House Panel Says'.

"The lack of authority of investigators to impound pieces of steel for examination before they were recycled led to the loss of important pieces of evidence." U.S. House Of Representatives, Committee On Science, Hearing Charter, Mar. 6, 2002, 'Learning from 9/11: Understanding the Collapse of the World Trade Center.'

The New York Daily News, (Jan. 4, 2002, 'Firefighter Mag Raps 9/11 Probe'): "Fire Engineering has good reason to believe that the "official investigation" blessed by FEMA and run by the American Society of Civil Engineers is a half-baked farce that may already have been commandeered by political forces whose primary interests, to put it mildly, lie far afield of full disclosure. No one's checking the evidence for anything." 'Selling Out the Investigation', Jan. 2002, by Bill Manning, Fire Engineering Magazine.

WHO WENT ALONG WITH IT?

The MEDIA

And this shouldn't surprise you. As John Swinton, former Chief of Staff for the New York Times said at the New York Press Club years ago, but still true today: "There is no such thing in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print. If I allowed my honest opinions to appear in one issue of my paper, before 24 hours my occupation would be gone. The business of the journalists is to destroy the truth, to lie outright, to pervert it. We are the tools and vassals of rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. We are intellectual prostitutes."

The 911 COMMISSION

Once you realize that the Commissioners in charge of the investigation were hand picked legendary political fixers, who also have ties with multinational oil interests, with the CIA, banking and financial interests, and other gov't officials, you won't be surprised that they went along with it too. These Commissioners never conducted a real investigation. Instead, they ASSUMED what the gov't told them to assume, that Al-Qaeda did it. (Does this remind you of how the gov't told everyone to assume there were weapons of mass destruction in Iraq?) The 911 Kean Commission is just like the Warren (JFK) Commission was, PART of the coverup!

WILL WE BE OKAY IF WE GET BUSH OUT OF OFFICE?

Unfortunately, no. Democrat Kerry had promised to prosecute this bogus war on terror even more vigorously than Bush. Both parties support this fake war on terror & the 9/11 “official story” lie to keep it going. And remember, to keep us afraid, to keep this excuse going, for us to continue to spend billions and billions of dollars to fight this bogus war on terror, the powers that be are planning to attack us again. The powers that be attacked us in the first place and they're warning us of more attacks all the time. That's just another reason we need to get the truth out, the truth about who the real terrorists are, and how the ‘war on terror’ is a fraud.

In addition to the 3,000+ people who died in the attacks on September 11th, another 40,000 children died that same day (and every day) around the world from malnutrition and preventable diseases. And HOW MANY THOUSANDS will be dead because our government doesn't spend our money to protect people right here from real dangers like Hurricane Katrina? The “War on Terror” is a fraud designed to ensure our \$ money continues to go to the super rich and war profiteers, and not for us, and not for the masses of humanity. Please WAKE UP and help us get the truth out. Never stop reading. Never stop learning. And never stop passing on what you learn to others. Remember, knowledge is power.

Hurricane Katrina is only the most recent example showing the world that the U.S. Gov't doesn't care about human life, even of its own citizens. You know they lied to us about Iraq having weapons of mass destruction to get us to go to war. But have you learned yet what really happened four years ago and why? Or do you still believe the “official story” of the Sept. 11th attacks? It's time you found out the truth!
